<b>Travel Update</b>	Girls section. Mike reported on meeting of board members, coaches last weekend at All-Pro to decide on the U-10, U-11 and U-12 teams and coaches. Ultimately decided that coaches Beringer and Elias would keep their teams together and play one year up. There are 9 U-11 girls without a team or coach. Agreed we would find players and a coach for them to play with. Boys section. Mike reported that we are holding a training session for the U-9 and U-10 boys to see who is interested and	<b>Terri to post the sessions on the website for the coaching staff and players.</b>

	capable of playing up at U-10. The indoor training sessions were then discussed. We have 12 sessions booked and we want to give each player two sessions but with 200 plus travel players already registered that is an average of 30 players per session. In the end we decided to stick with that plan and to book more sessions next season.	
<b>Premier Update</b>	Gavin attended the Premier presidents meeting and highlighted the main changes for this season.	<b>Gavin to complete a written report and send to Terri who will circulate to the Premier coaches and managers.</b>
